variable name	description of variable
id	presentation id
speaker	name of presenter
title	title of presentation
institution	institution of the presenter
presentations	number of presentations at the conference
url	url for data source
conference	full name of conference
year_y	year of the conference
venue	name of venue
link	code for conference
institution lattitude	lattitude of the presenter's institution
institution longitude	longitude of the presenter's institution
institution address	address of the presenter's institution
venue lattitude	lattitude of the conference venue
venue longitude	longitude of the conference venue
venue address	address of the conference venue
distance	distance between presenter's home institution and conference venue
fuzzy_speaker	matching speakers (by fuzzy string matching)
speaker_eu	1 if speaker from EU
speaker_us	1 if speaker from US or Canada

speaker_other	1 if speaker from other countries
venue_eu	1 if conference venue in EU
venue_us	1 if conference venue in US or Canada
venue_other	1 if conference venue in other countries
cross_atl	1 if EU speaker presented in US or US speaker presented in EU
venue_region	0 if US or Canada, 1 if EU, 2 if other
speaker_region	0 if US or Canada, 1 if EU, 2 if other
co2_opt	Assuming 75g per passenger km
co2_pes	Assuming 172g per passenger km
co2_med	Assuming 107.75g per passenger km
co2_med2	Assuming 75g per passenger km & that there was no flying related emission for trips < 300miles
co2_opt2	Assuming 172g per passenger km & that there was no flying related emission for trips < 300miles
co2_pes2	Assuming 107.75g per passenger km & that there was no flying related emission for trips < 300miles
citation_y	number of citations for the paper presented
citation_y2	number of citations for the paper presented (age-weighted)

author_pub_0-4	Number of publications author(n) has on Microsoft Academic
author_cit_0-4	Number of citations author(n) has on Microsoft Academic
speaker_cit	Number of citations author the presenting author has on Microsoft Academic
speaker_cit2	Number of citations author the presenting author has on Microsoft Academic (age-weghted)
speaker_pub	Number of citations author the presenting author has on Microsoft Academic
speaker_pub2	Number of citations author the presenting author has on Microsoft Academic (age-weghted)
total_cit	Number of citations all authors have on Microsoft Academic
total_cit2	Number of citations all authors have on Microsoft Academic (age-weighted)
